

# Green Scholarship Program 2026

## Official Application & Program Guidelines

### 1. Objective

The Green Scholarship Program aims to encourage active environmental participation among college and university students across Karnataka. By rewarding sustainability initiatives combined with academic excellence, the program fosters ecological awareness and community engagement.

### 2. Eligibility Criteria

- Enrolled in an accredited higher education institution in Karnataka.
- Academic performance: Minimum of 75% marks in the preceding academic year.
- Annual Family Income: Must not exceed INR 60,000.
- Eco Engagement: Must achieve a minimum Green Score of 100 based on verified activities.

### 3. Green Score Computation

Green Scores are calculated based on verified contributions to sustainability. The current score weights are calculated as follows:

| Activity Component              | Metric Weight         | Maximum Allowed        |
|---------------------------------|-----------------------|------------------------|
| Trees Planted & Maintained      | 2 Points per tree     | 100 Trees (200 pts)    |
| Green Activities Participated   | 5 Points per activity | 15 Activities (75 pts) |
| NSS / NCC Contribution          | 1 Point per hour      | 120 Hours (120 pts)    |
| General Volunteerism            | 1 Point per hour      | 200 Hours (200 pts)    |
| Recycling & Waste Drives        | 3 Points per drive    | 15 Drives (45 pts)     |
| Campus Cleaning Campaigns       | 2 Points per drive    | 12 Drives (24 pts)     |
| Water & Energy Saving Campaigns | 4 Points per campaign | 10 Campaigns (40 pts)  |

### 4. Submission and Verification

All entries must be accompanied by relevant proof: digital photos with GPS coordinates for tree plantation, logs signed by NSS/NCC coordinators, and income statements issued by competent local administrative authorities.
